

NATO SUPPORT AND PROCUREMENT AGENCY

AGENCE OTAN DE SOUTIEN ET D'ACQUISITION

Genevieve E. Machin
Chief Human Resources Officer

Genevieve Machin assumed her duties as Human Resources Executive on 15 September 2022. She is responsible for the proper functioning and overall provision of HR services, policies and related programmes within the Agency.

Prior to her current position, she held a number of progressively senior and global human resources positions within the telecommunications, financial services, aviation, IT and manufacturing industries.

As part of her experience in the aviation industry, she held a fully operational role managing air traffic control towers within the Greater Toronto Area (Canada).

Ms Machin holds a Bachelor (Hons.) in German and Russian Language and Literature from Memorial University of Newfoundland (Canada) and a Masters in Russian Literature from the University of Ottawa (Canada). She is Lean Six Sigma (LSS) greenbelt trained, a certified Change Practitioner (Prosci) and a certified training facilitator.
